

## WORLD THINKING DAY

Each year on February 22, girls participate in activities and projects with global themes to honor their sister Girl Guides and Girl Scouts in other countries. It is a special day in the Girl Scout year when we remember we are part of a worldwide movement.

Would your girls like to get to know other Girl Scouts around the country? There are a number of Girl Scout exchange activities available to help you get acquainted without leaving home. You might even have the opportunity to exchange with some Girl Guides overseas. *Step outside the box* to share with other Girl Scouts while helping your girls realize that they are part of a much larger organization.

A variety of programs, activities, information and resources are summarized below.

### THE HISTORY OF WORLD THINKING DAY

In 1926, delegates from around the globe met in the USA and agreed that 22 February would be known from then onward as a special day for Girl Guides and Girl Scouts all over the world.

Camp Edith Macy – now called Edith Macy Conference Center – in New York State, USA, was the venue for the fourth World Conference of the Girl Guiding and Girl Scouting Movement in 1926.

A special day

Conference attendees agreed that year that there should be a special annual day when Girl Guides and Girl Scouts around the world think of each other and express their thanks and appreciation for our international Movement. This was called Thinking Day.

The delegates chose 22 February as the date for Thinking Day because it was the birthday of both Lord Baden-Powell, founder of the Boy Scout Movement, and his wife Olave, who was World Chief Guide.

Lord Baden-Powell had a little verse to help people remember how to pronounce his name:

“Man, Matron, Maiden,  
Please call it Baden.  
Further for Powell,  
Rhyme it with Soul.

## World Thinking Day Award

Each year, there is a World Thinking Day Award designed around a theme. The theme is based on one of the United Nation's Millennium Development Goals. The eight United Nations' Millennium Development Goals are:

1. Ending hunger and poverty
2. Education opens doors
3. Empowering girls
4. Helping children survive
5. Keeping mothers healthy
6. Preventing diseases
7. Saving the planet
8. Promoting peace through partnership

The World Thinking Day award is now an OFFICIAL Award and, therefore, it may be worn on the front of the official uniform sash or vest in the same area where the badges go, which is the same side as the Girl Scout Council identification set. The other side of the vest has been designated for the Journey awards. Journey awards are placed above all other badges on the sash. There is not a single exact location for this badge.

## Girl Scouts Global Action Award

The Girl Scouts Global Action award, developed in partnership with the [World Association of Girl Guides and Girl Scouts \(WAGGGS\)](#), is an exciting and enriching way for Girl Scout Daisies to Ambassadors to participate in realizing the United Nations' Millennium Development Goals (MDGs) which aim to reduce extreme poverty and impact major world concerns by 2015.

By earning the Global Action award, girls can learn, in a fun and educational way, about serious global issues affecting girls, young women and their communities. Each Girl Scout who completes activities will join in WAGGGS' international movement of 10 million girls who together are sowing the seeds of social change.

The Global Action award is designed to complement GSUSA's national leadership journeys and reinforces the same leadership goals of: discovering oneself and one's values; connecting via teamwork with other members and by reaching out to the local and global communities; and taking action to improve the world.

## Flat Girl Scouts

Flat Girl Scouts, the Girl Scout equivalent to [The Flat Stanley Project. Friends Across America](#) is a similar program. You can download [paperdolls](#) or make a life-sized version by tracing a girl onto butcher paper.

Join the [Flat Stacie](#) program, or go to the [Flat Girl Scout](#) or [GS-GG Exchange Resource](#) yahoo groups to arrange your exchanges.

## International Thinking Day Postcard Exchange

This website contains information about a National and International Postcard Exchange:  
[www.mythinkingday.com](http://www.mythinkingday.com)

Your girls decide the extent of their participation -- exchange with troops from a few states or try for all 50! You may also have the opportunity to request exchanges with some international units. Last year there were close to 3,000 US Troops and just under 1000 International Units from 50 countries participating in this exchange. A Postcard Exchange patch is available.

Jan McKinney founded the Thinking Day Postcard Exchange and continues to provide this activity, which is 10<sup>+</sup> years strong. A recognition plaque presented during her council's 2003 awards luncheon read, "Because of this Green Angel, Thinking Day has come alive for thousands of girls world-wide, and the World Association has become more than just words in a book."

### Pen Pals

Although GSUSA no longer has a [pen pal program](#), there are a few unofficial programs that could be reviewed include: [Round Robin Girl Scouts](#) and the [GGGS Pen Pal Group](#) Yahoo groups.

---

### Mascot Exchange

A mascot exchange is a fun way to open the girls' eyes to the *bigger picture*. This is a year-round project that can be started at any time, however many troops do fill up their schedules in the fall (or a year ahead!). You may select to just host a mascot, or jump right in with a mascot of your own and exchange with others. Exchanges may be arranged by joining the following yahoo groups: [GS/GG Mascots](#), or [GS-GG-Exchange Resource](#).

Mailing a package filled with your mascot, journal, swaps, photos and tourist information can get expensive, so budget accordingly (estimate \$5-\$10 postage per box, with international mail costing triple). Although probably the most costly of the exchange projects listed, it can be the most rewarding for the girls

A mascot exchange is also a fun way to bring local troops closer together. Suggest that the girls in your service unit name a Mascot that would then visit one troop a month. Girls could make journal entries for the mascot describing what their troop is doing, read entries from other troops, add something to the mascot's outfit, enclose a troop photo and make swaps for the next troop to be visited. The mascot's travels could be expanded to visit neighboring service units or do return visits with your local troops.

Some mascots have a theme, are dressed in uniform, or come with accessories. Let your girls be creative.

### World Trefoil Pin Ceremony

**MATERIALS FOR THIS CEREMONY:** For visual effect, make a large cut-out of the pieces with your troop and assemble it as the meaning of the parts are read. A simple alternative is to display an enlargement of the World Trefoil Pin, and point to the parts of the pin as they are described in the ceremony.

**PROCEDURE:** The Troop stands in a horseshoe formation. World Pin is displayed or is assembled on a wall or table.

#### SCRIPT:

**LEADER:** This horseshoe in which we stand symbolizes the open friendship circle. In the open end stand our sister Girl Guides and Girl Scouts from around the world. We can not see them, but they are here in spirit with thoughts of friendship for all of us. The pin you are about to receive is a symbol of this worldwide bond. Its purpose is to encourage friendship between girls of all nations. As you receive your pin, remember millions of girls all over the world will be receiving and wearing it also.

**GIRL SCOUT 1:** The World Association pin has a blue background. The blue stands for the sky above all of us, all over the world.

**GIRL SCOUT 2:** The gold trefoil stands for the sun shining on all of us. Its shape represents the three parts of the Promise.

**GIRL SCOUT 3:** The stars in the trefoil remind us of our Promise and Law, a basic philosophy of Girl Guides and Girl Scouts around the world.

**GIRL SCOUT 4:** The upward pointing vein is the compass needle that guides us.

**GIRL SCOUT 5:** The base of the trefoil is shaped like a flame, which represents the love of humanity and the flame that burns in the hearts of Girl Guides and Girl Scouts around the world.

**LEADER (presents pin):** Wear the World Trefoil Pin over your heart and above your Girl Scout Membership Pin. It is a symbol of your membership in the World Association and the friendship and unity of Girl Guides and Girl Scouts around the world.

## World Thinking Day Candle Ceremony

Setting/supplies: One large candle preferable multi colored. Six smaller candles on the table, preferable in six different colors. Each participant should have their own candle; mixed colors are best- a different colored ribbon on each candle or votives of different colors. Start with the large candle lit and light the six candles off it as the following are read:

I light this candle in friendship for all of the people who are older or younger, taller or smaller, richer or poorer than me.

I light this candle in friendship for all people who worship differently than me

I light this candle in friendship for all people of a different nationality or ethnic group than me

I light this candle in friendship for all people who are a different color than me

I light this candle in friendship for all people who come from other countries than me

I light this candle in friendship for all people who don't run, walk, see, hear or learn the same as me

I light this candle for me, for I am unique and special.(at this point we passed the light from person to person, with each saying the above line when they lit their candle--after everyone's candle is lit continue with the following parts)

Watch the flames closely please. Notice the light from each candle is the same, even though the outside of each candle is different. So, too, are all of us in the world.

We wear different clothes, speak different languages, follow different religions or beliefs, like different foods, sing different songs. And yet, we all belong to the same human race.

Inside we are all the same. We all wish to be recognized, we all wish to be called by name, we all wish for friends, we all wish for peace.

In the spirit of international understanding, we pledge ourselves to world friendship.

In the spirit of international understanding, we pledge ourselves to peacemaking.

In the spirit of international understanding, we pledge ourselves to accept the challenge to "look wider still."

Stars that shine together form a galaxy  
Flowers that grow together create a garden  
Buildings that stand together begin a city  
People who work together make a difference.

This is what valuing differences is all about.

## World Thinking Day

### Action Story

Group is divided into 10 groups and given the following to do and say when their word is spoken:

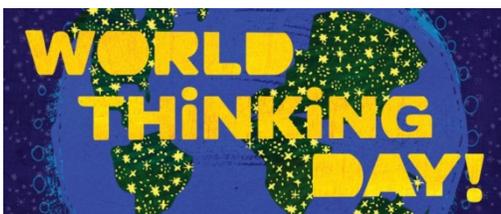

LORD BADEN POWELL	"Rule Britannia" and Salute
LADY BADEN POWELL	"Be Prepared" (Girl Scout sign)
BROWNIES	"I have something in my pocket"
GIRL SCOUTS	"God Bless America"
THINKING DAY	(shout) February 22nd
GIRLS	(shout) Hurray!
BOY SCOUTS	"Yahoo!"
GIRL GUIDES	"Hello out there" (hand to mouth)
WORLD	"Big wound world" (make circle with hands)
CANADA	"Maple Leaf Forever"

There once lived a man whose name was LORD BADEN POWELL. He spent a long time in the British Army in India and Africa and created the BOY SCOUTS. The boys learned new and exciting things from him and soon the GIRLS wanted to join in the fun and joined in a BOY SCOUT parade at Crystal Palace, in London. LORD BADEN-POWELL was very surprised and began to think of fun things for GIRLS to do to help them grow in their own way and not just copy the boys.

In 1910 he asked his sister, Agnes, to set up the GIRL GUIDES and many units were formed as soon as they could find enough leaders and meeting places. The younger GIRLS also wanted to join in the fun and so the BROWNIES were started for them. They were first called Rosebuds. Later, LORD BADEN-POWELL went on an ocean cruise and met a lady named Olave Soames. They had many things in common, including the same birth date and were married that same year. 10,000 BOY SCOUTS each gave one penny to buy a Rolls Royce car for their leader and his young wife.

LADY BADEN-POWELL was a very enthusiastic and friendly person who wanted GIRL GUIDES and BROWNIES to be known everywhere. She visited many countries and helped set up an International Council, which is now called "The WORLD Association of GIRL GUIDES and GIRL SCOUTS, which we call WAGGGS. February 22nd was the birthday of both LORD BADEN-POWELL and LADY BADEN-POWELL. This very special day was called THINKING DAY and on this day, BOY SCOUTS, GIRL GUIDES and GIRL SCOUTS remember their friends all over the WORLD.

Every THINKING DAY, GIRL GUIDES, BROWNIES and GIRL SCOUTS collect money for the WORLD Association to help girls in other countries share in the fun and friendship. Now each year, we remember LORD BADEN-POWELL who started the BOY SCOUTS and LADY BADEN-POWELL, along with all our GIRL GUIDE and GIRL SCOUT friends around the WORLD on THINKING DAY.

## Story of the Juliette Low World Friendship Fund (JLWFF)

Read the story, girls listen for the CAPITALIZED words and do the action for each OR assign a different word to 5 groups of girls, they do the action when their word is read.

WORLD - stand and spin around

JULIETTE LOW - curtsy and say "Be my friend"

SCOUT, SCOUTS, SCOUTING OR GUIDE, GUIDES, GUIDING -big smile and Girl Scout sign

FRIENDSHIP, FRIEND, or FRIENDS - join hands with the person next to you

MONEY OR FUND - say "ka-ching!"

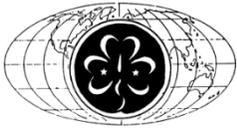

Once there was a lady named JULIETTE LOW, nicknamed Daisy. She became interested in SCOUTING through her friends, Lord and Lady Baden-Powell. They started Boy SCOUTING and Girl GUIDING in England. JULIETTE LOW thought SCOUTING was a wonderful idea. When she returned to America, she decided to start a Girl SCOUT troop. On March 12, 1912, in her hometown of Savannah, Georgia, JULIETTE LOW started the first Girl SCOUT troop in this part of the WORLD. Later she traveled all over our country helping to start more Girl SCOUT troops. She knew that SCOUTING would help girls to become FRIENDS and would help toward WORLD peace and good will.

After JULIETTE LOW died in 1927, her friends decided that the greatest tribute that could be paid to such a charming lady would be to continue working toward the realization of her dream of WORLD FRIENDSHIP. A memorial FUND was started. It was called the JULIETTE LOW WORLD FRIENDSHIP FUND.

Each year all Girl SCOUTS in the United States are given the opportunity to bring MONEY for this FUND which helps Girl SCOUTING and GUIDING all over the WORLD.

When Girl SCOUTS contribute to the JULIETTE LOW WORLD FRIENDSHIP FUND, they can imagine the far places of the WORLD to which this MONEY will travel and the ways it will help Girl SCOUTS and GUIDES. Maybe your MONEY will help buy a uniform for a Girl GUIDE in Belgium who can't afford one. Maybe your MONEY will help send some Senior or Ambassador Girl SCOUTS from our country to Our Chalet, an international camp in Switzerland, where Girl SCOUTS and GUIDES from all over the WORLD get together to learn more about each other. Or maybe you will be helping, with your MONEY, to start new Girl SCOUT and GUIDE troops in other countries.

No one knows to what parts of the WORLD this MONEY may travel. No one knows the ways in which it will one day come back to us in new FRIENDS. But we all know that as we give to the JULIETTE LOW WORLD FRIENDSHIP FUND, we are helping to spread Girl SCOUTING and GUIDING around the WORLD.

## Juliette Low World Friendship Fund

The Juliette Low World Friendship Fund was established as a living memorial to Juliette Gordon Low, the founder of Girl Scouting in the United States. Each year, with the help of the fund, the circle of Girl Scout and Girl Guide friendship grows ever wider...now to about 100 countries. To make this possible, Girl Scouts in the United States annually give nickels and dimes, quarters and dollars.

Juliette Gordon Low believed that, when girls travel internationally, they have an unparalleled opportunity to foster cultural understanding. That's why the Juliette Low World Friendship Fund was formed in 1927: to support girls as they travel internationally, connect with sister Girl Guides and take action globally.

Donations to the Juliette Low World Friendship Fund are used to support girls' international travel and participation in training and other international events. These unique opportunities for fostering international friendships connect Girl Guides and Girl Scouts from 145 nations.

The money that is collected is used to:

- 🌐 Help spread Girl Scouting and Girl Guiding throughout the countries of the world
- 🌐 Help make possible international friendship projects, service programs and exchange visits of Girl Scouts and Girl Guides

In these ways, the fund helps build the mutual understanding and goodwill between countries that is necessary to world peace. Contributions to the Juliette Low World Friendship Fund are made voluntarily by girls and adults. Each troop decides on its method of giving. Donations are often made during the month of Juliette Low's birthday (October 31) or around Thinking Day (February 22), or Girl Scout Week, in March, but they can be made at any time. Submit your contribution to your local PLC to be forwarded to GSUSA.

### Honoring A World Traveler

Juliette Gordon Low was an enthusiastic traveler, maintaining friendships around the globe. Inspired by Lord Robert Baden-Powell of England who introduced her to Girl Guiding, she founded Girl Scouts of the USA in 1912. As she developed Girl Scouts in the United States she remained committed to global sisterhood.

To honor its founder's love of travel and varied cultures, Girl Scouts of the USA created the Juliette Low World Friendship Fund in 1927. The original purpose of the Fund remains the same: to extend Girl Scouting and Girl Guiding around the world and to support international friendship through service projects, training events and exchange visits. These unique opportunities for fostering international friendships connect Girl Guides and Girl Scouts from 145 nations.

#### GSUSA Guidelines on Fund-Raising for Other Organizations from Volunteer Essentials

Girl Scouts are not allowed, when identifying ourselves as Girl Scouts (such as wearing a uniform, a sash or vest, official pins, and so on), to solicit money on behalf of another organization. This includes participating in a walkathon or telethon while in uniform. You and your group can, however, support another organization through take-action projects or by making a donation from your group's account. And Girl Scouts as individuals are able to participate in whatever events they choose, as long as they're not wearing anything that officially identifies them as "Girl Scouts."

\*The Juliette Low World Friendship Fund is part of Girl Scouting and therefore not considered a separate organization.

## JULIETTE LOW WORLD FRIENDSHIP FUND

You can use one of these ideas to collect funds for the JLWFF or use an idea of your own:

<p><b>Craft Sampler:</b> Ask for donations for simple international crafts made by girls.</p>	<p><b>Tasting sampler:</b> Ask for donations for a “taste” of goodies made by girls with recipes from around the world.</p>	<p><b>Recycling Cans:</b> Each girl finds a shop or store to help her save cans for three months. Redeem cans for the Juliette Low Friendship Fund.</p>
<p><b>Be Creative:</b> Invent your own way to earn money for world friendship.</p>	<p><b>Ancestors:</b> Research from which countries each girl’s ancestors come and give a quarter for each country.</p>	<p><b>Bob a Job:</b> An Australian quarter is called a bob. Guides there earn money for world friendship by doing odd jobs such as washing dogs, cars and windows.</p>
<p><b>Star Gazing:</b> New Zealand Guides see different stars than we do, but they enjoy counting them and giving a coin for each one counted for world friendship.</p>	<p><b>Will Power for the World:</b> Everyone come with money saved by resisting candy, soda, chips, movies, etc.</p>	<p><b>Friendship Ring:</b> Canadian Girl Guides drop a coin in a box every time they phone a friend. <p><b>Money Measure:</b> Measure the height for each girl. Give a penny for each inch.</p>	<p><b>Have a Silver Tea:</b> Tape a dime or quarter to the invitation and ask each person attending to bring it and many more for the JLWFF.</p>	<p><b>Investiture/Rededication:</b> Each girl gives a dime for the number of years she has been a member.</p>
<p>The Canadian Girl Guides drop a coin in a box every time they phone a friend. Include text messaging and watch the donations grow.</p>	<p>Fine yourself a penny or more for every minute you are late to a meal or to a class or practice, or late turning in your homework or miss a curfew.</p>	<p>If you get an allowance, or if your family gives you extra money for a candy bar or soft drink, save some of that money for the World Friendship Fund instead.</p>
<p>Contribute a dime for each light bulb in your home.</p>	<p>Collect, repair and sell jewelry, toys, children’s clothing, etc. at a yard sale.</p>	<p><i>It’s hard to give up a treat, but did you know- Daisys sold her \$8,000 pearl necklace to help the Girl Scouts!</i></p>

## ***What Common Bonds Do We Share With Other WAGGGS Members?***

- ④ We share the same ethical code as expressed in the Promise and Law. We believe we have a duty to God, a duty to our country and a duty to serve others.
- ④ We share the same symbol, the World Trefoil, which is used on our pins, flags and badges.
- ④ We share the same motto, "Be Prepared," taken from the initials of the Founder of the Boy Scouts, Lord Baden-Powell.
- ④ Every Girl Guide and Girl Scout tries to do at least one GOOD TURN each day.
- ④ We share the same sign or salute, three fingers of the right hand raised to remind us of our threefold Promise.
- ④ We share the same handshake. We greet each other with a left handshake so that we might easily recognize a "true Girl Scout." Lord Baden-Powell said the left hand is the one nearest the heart and so signifies friendship.
- ④ We share a common anthem, the *WORLD SONG*. Written in 1917 for the Danish Girl Scouts, it was adopted in 1950 by WAGGGS.
- ④ We all celebrate Thinking Day, February 22, the joint birthday of the Founder of the Movement, Lord Baden-Powell and of his wife, Olave, Lady Baden-Powell, World Chief Guide. We all contribute to the Thinking Day Fund to promote Girl Guiding in developing countries. (Girl Scouts in the U.S.A. contribute to the Thinking Day Fund through the Juliette Low World Friendship Fund.)
- ④ We have four Girl Guide Houses (World Centres) where our members may visit or attend sessions: Our Cabaña in Mexico, Our Chalet in Switzerland, Sangam in India and PAX Lodge in England.
- ④ Our members traveling outside their own countries may use the World Association Card of Introduction as an official credential of membership.
