## **CLEAN JEAN AWARD**

## **GENERAL INFORMATION**

1. Troops and service units can earn the Clean Jean certificate and/or patch by performing extra cleanup and improvement projects at camp that go above and beyond what is expected.

Examples of Clean Jean projects:

- O Deep cleaning the cabin/unit that your troop has stayed in for the weekend such as: washing the windows, cleaning the oven, wiping out cabinets and refrigerator, etc.
- O Stack a woodpile and clean a fire ring
- O Pick up trash from hiking trails and around camp

Examples of what is NOT considered a Clean Jean project:

- Sweeping/mopping floors
- O Buying items for the site (pot holders, rakes, etc.)
- O General site cleaning that is part of a standard stay
- 2. If your troop or service unit is interested in participating in a Clean Jean project, contact the camp's site manager prior to arrival. You may also ask for Clean Jean projects when you arrive at camp.
- 3. Complete this form only after you've completed your Clean Jean project(s).
- 4. A certificate will be mailed to your troop at the address you provide.
- 5. Clean Jean patches and chevrons are also available. If you would like Clean Jean patches or chevrons mailed with your certificate, please include a check with this form. Patches are \$1.60 each; Chevrons are \$1.50 each. Troops without current tax-exempt forms on file at our shop add 9.25% tax. Troops with current tax-exempt forms on file can omit tax, but they must pay with a troop check.
