

GSMIDTN Earth Hour Patch

**What will you do when the lights go out?
Join us to take a stand against climate change.**

Hundreds of millions of people across the globe participate in Earth Hour every March, but GSMIDTN is celebrating Earth Hour EVERY DAY. Join us and participate in the Earth Hour program by turning off all non-essential electronic devices for one full hour. You can help by turning off your lights, televisions and computers to help conserve energy and better the planet.

Girl Scouts of Middle Tennessee shares our commitment to create a better future for the planet. Start now and take a stand against climate change. Get your family and friends to participate too! Let others know that you participated and purchase a patch to put on your uniform. Contact Meredith Dennis at mdennis@gsmidtn.org for more information.

How do I get my patch?

1. Turn off all non-essential electronic devices for one full hour.
 - Televisions, computers, lights and anything you can think of that are drawing non-essential energy.
 - Enjoy your hour playing cards or board games by candle light, telling stories and more.
2. Bring your completed certificate into the Girl Scouts of Middle Tennessee shop to receive your patch. Each patch costs \$2.
3. Please share your stories and pictures with us of the fun you had with the lights out. Please submit photos to mdennis@gsmidtn.org.

Earth Hour Patch Program Completion Certificate

Please complete this certificate for your Girl Scout(s) to receive the Earth Hour patch.

(Name)

(Troop Number)

(Age Level)

Has completed the Earth Hour requirements
and is awarded this certificate by
