Cadette, Senior and Ambassador Girl Scouts: Have learned or need to learn 20 total songs 10 of which are Girl Scout related AND teach at least five songs to a younger Girl Scout troop. This doesn't mean your song education has to stop at 20 songs-set a goal to know 30, 40 or even 50 songs by your Ambassador years!

Pin may be moved up with girl to each age level, but she must fulfill the requirement for the age level moving to. This is a BIG assignment, but necessary if the girls are to become "Girl Scouts of Note"!
