About Our Camps

CAMP HOLLOWAY

Founded by Josephine Holloway in 1952, Camp Holloway offers overnight and day camp programs for girls ages 5-17. Camp Holloway offers a fun-filled camp experience with activities such as: archery, rock climbing, creek stomping, Corcls, funoeing, cooking, science, and more! Josephine Holloway believed that camp was meant for all girls and we couldn't agree more! Camp is calling you to be YOU!

CAMP SYCAMORE HILLS

Whether it's canoeing, horseback riding, or aiming for the target on the archery range, Camp Sycamore Hills has what you want. We have been bringing once in a lifetime opportunities to girls for 60 years. Camp Sycamore Hills' 742 acres are filled with songs, friendships, and s'more! Girls will stay in cabins or screened cabins. We can't wait to see everyone this summer!

Accommodations at Camp

Your camper has a variety of options for housing at Camp Holloway and Camp Sycamore Hills. Please find the description of each option below and check your camper's program for which housing option is offered.

CABIN

A cabin is climate-controlled with either single or bunk beds. Girls will sleep in one large room or in several smaller ones with 8-20 other girls. Some cabins include bathrooms and kitchen within the building and some have bathrooms nearby. Staff members will sleep in the same building (but in a separate room) as the girls.

SCREENED CABIN

Screened cabins are smaller structures, half wood/half screen, located together in a living unit. Each screened cabin has 4-6 beds. Campers sleep on bunk beds. These cabins have electricity and fans but are not climate-controlled. Bathrooms are located nearby. Staff members will sleep in a separate cabin near the campers' sleeping area.

PLATFORM TENT

A platform tent is a semi-permanent structure with a wooden floor and heavy canvas roof and sides. Each tent holds four beds. Tents are arranged in groups to form a living unit. The sides can be rolled up to allow a cross breeze. Mosquito netting is provided during summer camp. A bathhouse with showers and flushing toilets is located close to platform tent units. Staff members will sleep in tents separate from the girls.

Horse Programs

AT CAMP SYCAMORE HILLS

HAY, DON'T FORGET THE HORSES!

With more than 40 horses and an enthusiastic staff, you can try horseback riding with a sampler program or week-long horse program focused on improving your horsemanship skills. Horse programs include progressive riding instruction, games, and barn lessons. Whether you are new to horses or an experienced rider, we have horse programs designed for you! Campers also participate in traditional camp activities during their week.

To help you select the best horse program, please read over the types of horse programs we offer. Remember that every girl progresses at her own rate. While some campers have the opportunity to take lessons throughout the year, others depend on their summer camp experiences to hone their skills. It is our goal to offer a variety of horse programs that will provide safe, fun instructional experiences for all skill levels.

Sampler Programs

These programs are a great choice for girls who want to do a little bit of everything at camp, including two horse experiences and traditional camp activities. Sampler programs do not meet prerequisites for skill builder horse programs.

I Want It All – Girls entering grades 6-8

Anything Goes (New this year!) – Girls entering grades 9-12

Introductory Riding Programs

Whether you are a first-time rider or a camper who has discovered an interest in horses through another horse experience, these programs teach beginning horsemanship. Skill Builder Riding Programs

Prerequisites are required for these programs. The minimum requirement to register for these programs is completion of an introductory riding program at Camp Sycamore Hills or equivalent experience.

Bits & Bridles – Girls entering grades 4-5

Way Out West I & II – Girls entering grades 6-12

Intro to Jumping I & II requires completion of Going English I & II, Ride Sycamore, or equivalent English experience. If your camper does not take regular English riding lessons during the school year, it is recommended that she participate at least twice in Going English I & II and/or Ride Sycamore before registering for Intro to Jumping sessions. Participating in Intro to Jumping I & II multiple times will also be beneficial for campers who do not take lessons during the school year.

Intro to Jumping I & II – Girls entering grades 6-12

Equestrian Manager Approved Riding Programs

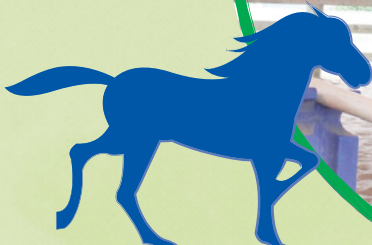

Prerequisites and a possible riding test are required for these programs. Campers registering for these programs should be able to walk, trot, and canter unfamiliar horses. An explanation of previous riding instruction and experience will be required before registration is completed.

Jumping I & II and Take the Reins are for campers that are actively taking jumping lessons and will require a reference from a current jumping instructor/trainer. Contact information for the instructor will be required during the registration process. All registrations must have equestrian manager approval.

Both Camp Holloway and Camp Sycamore Hills have health officers on staff to attend to campers' medical needs. Health officers are certified in First Aid and CPR. Both camps have a local doctor that advises treatment plans. Every effort is made to serve a wide range of campers and to make accommodations for campers' needs. Please understand that Girl Scouts of Middle Tennessee serves the general population and we are not equipped or staffed to provide care for campers who need one-on-one assistance. **Before you register your camper, please contact the camp director for help determining what will be a good fit for your camper.**
