GSUSA Guidance for Troop Proceeds and Girl Rewards

- **All Rewards** earned by girls through product activities must support Girl Scout program experiences for girls (Such as camp, travel, and program events; but not scholarships or financial credits toward outside organizations.)
- **All Rewards** must be based on ranges and may not be based on a dollar per dollar calculation.
- **Proceeds** may only be allocated to Girl Scout troops/groups for Girl Scout program activities. Cash based accounts may not be kept for or distributed to individual girls within the troop. Proceeds do not follow the girls.

Fall Product Program Rewards

Girl Scouts can earn rewards for selling products and magazines through order taking and online sales. With Individual Reward items, each girl earns the rewards that coincide with the level of product and magazines sold. Individual reward items are cumulative for all reward levels. Girl Scouts as a troop, can work towards Individual Reward items or can opt to earn an additional 2% through Additional Proceeds. Each troop must decide, by majority vote, on their plan before the start of the Fall Product Program activities. To qualify, each Girl Scout and Parent/Guardian must acknowledge acceptance of the Additional Proceeds option with signatures below. Troops choosing Additional Proceeds qualify for all patches available.

OPT-OUT ACCEPTANCE...
