

2019-2020 PROGRAM GUIDE

Be **YOU.**
Be the
FUTURE.

girl scouts 
of middle tennessee

Friends of Girl Scouts of Middle Tennessee,

As we embark on the 2019-2020 Girl Scout year, we are excited to once again provide exceptional program opportunities and experiences to girls throughout Middle Tennessee. This year's program offerings will continue to encourage girls to explore new ideas and engage in unique activities.

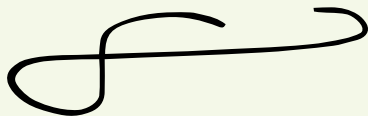

At Girl Scouts of Middle Tennessee, our four main focus areas include STEAM, Outdoors, Life Skills, and Entrepreneurship. Girls can learn about wellness in Happy Healthy Me, understand genetics during Designing Your Dream Horse, and investigate the planets with Space Investigators. We are also excited to bring back several of our most popular program options including Titan Up, a collaboration with our hometown Tennessee Titans, Girl Scout Day on the Hill, and Journey weekends to help your Girl Scout take a step towards earning her highest award.

I am especially excited that, in October, Girl Scouts of Middle Tennessee will host Statewide Camporee at our very own Camp Sycamore Hills. We will welcome girls and volunteers from across the state to explore the outdoors and connect with their Tennessee Girl Scout sisters.

Every year I look forward to what Girl Scouts of Middle Tennessee can accomplish. With your service and dedication, we can help girls define their path toward a bright future and become leaders in their communities.

Thank you for your commitment to building girls of courage, confidence, and character who make the world a better place.

Yours in Girl Scouts,

Agenia Clark
President & CEO

Each year the Girl Scouts of Middle Tennessee program team strives to deliver an exciting, engaging, and well-rounded offering of programs that provide each girl with an opportunity to learn and grow. Each of these opportunities have been carefully created and organized to highlight at least one of our four main focus areas:

STEAM (*Science, Technology, Engineering, Art, and Mathematics*)

Exploring each of these concepts in fun and innovative ways through our Girl Innovator Series

Outdoors

Getting girls back in touch with nature with outdoor sports and activities, camping, and equestrian experiences

Life Skills

Preparing Girl Scouts for a healthy future by supporting their physical, social, and emotional health

Entrepreneurship

Engaging future leaders through business planning, inventing, marketing, career preparedness, and problem solving

As we look forward to a time when every Girl Scout has a role in shaping a brighter tomorrow, we hope that the programs offered in this guide help empower each girl to **Be You – Be the Future!**

Your program team is here to help! Please do not hesitate to contact us with any questions, concerns, or feedback.

The Cabin

The Cabin at Girl Scouts of Middle Tennessee is the one-stop shop for your volunteer and troop needs. In addition to a full line of uniforms and troop items, we carry many gift-giving and volunteer-based products.

While in The Cabin, you can reserve packaged programs, schedule a training, purchase your troop badges, or pay for programs, trainings, and property reservations. Our friendly staff is knowledgeable and helpful and we are here to make your Girl Scout experience seamless and enjoyable!

While you are in The Cabin, check out our Council's Own patches. These can only be found at Girl Scouts of Middle Tennessee and are designed to enhance your troop experience. Guidelines for these patches can be found on our website, gsmidtn.org/councils-own-resources.

Additionally, you can schedule one-on-one help sessions with Sue Tims, Director of Customer Enrichment/Engagement. These can be done in person or over the phone. To make an appointment, contact Sue at STims@gsmidtn.org or (615) 460-0235.

When you purchase items from Girl Scouts of Middle Tennessee's retail shop, the money stays in our council area. This provides a way to give back to the Middle Tennessee girl experience.

We look forward to meeting you and helping with your troop and Girl Scout needs. Feel free to contact us with any questions at NashvilleShop@gsmidtn.org or (615) 460-0222.

PROGRAM REGISTRATION INSTRUCTIONS

Explore the many opportunities Girl Scouts of Middle Tennessee has to offer! Council programs, scheduled on a particular date for specific grade levels, are planned and facilitated by your Girl Scouts of Middle Tennessee program team, and registration is taken through CouncilAlignMENT. *If you do not have a CouncilAlignMENT account, contact your Regional Executive.*

STEP 1: Decide on a program that inspires you!

STEP 2: Register

Log into CouncilAlignMENT by visiting gsmidtn.org/councilalignment. *If you experience any difficulty (i.e. forgotten password), refer to the FAQs section of this guide (page 39).*

1. From the CouncilAlignMENT homepage, click on “**View Calendar**” in the “**Available Activities**” bar.
2. Events for your troop or child’s program level will appear on the calendar in different colors. View the key at the top left of the calendar for color explanation (status of program).
3. After you have clicked on your event, you will choose register ‘girl(s)’ or ‘troop.’ *If you are registering several girls from a troop, select “Troop.” If you are registering your girl(s) as an individual participant, select “Girl(s).”*
4. The next screen asks for specific information about those who will be attending, including both girl(s) and adult(s). At this time you may only add girls and adults with CouncilAlignMENT profiles.
5. For programs that indicate friends and family, please fill out the additional question in the registration section. You do not need to count any registered Girl Scouts, so long as they have been selected above.

Please set NoReply@councilalignment.com as a “safe sender” to avoid accidental delivery to junk or spam folders.

Registration for each program closes three weeks prior to the event. Many programs fill to capacity quickly due to popularity so you are encouraged to register as early as possible. Unless otherwise stated, programs do not include food/beverage, and adults are required to attend with Girl Scouts. Please make other arrangements for “tag-alongs.”

STEP 3: Payment

Once you have registered and the program has met its minimum, CouncilAlignMENT will send you an invoice by email and populate in the online shopping cart. You will have 10 days from the date you receive the payment communications to pay the balance. All balances are due prior to the program. Unpaid balances must be resolved before you are allowed to register for another activity.

STEP 4: Before Your Program

You will receive communications at least one week prior to the event with all information you will need. Confirmation letters include; directions, packing list, overview of the event, forms to complete, and more. If your troop’s registration was received after the event was filled, you will be put on a waiting list and will receive notification if space becomes available.

Communication about Programs

To ensure that you receive the most complete and current information about the programs you are registered for, please select “**Email**” as your contact/notification preference.

For clarification concerning any program, please reach out to the program manager listed under each description or to our council registrar:

Eva Conwell
Council Registrar
(615) 460-0254
EConwell@gsmidtn.org

Cancellation

Events run rain or shine. The program managers for each program will contact you if a program is postponed, rescheduled, or cancelled due to inclement weather. Please use your best judgment when traveling with girls. Traveling in extreme weather is not advised.

All cancellation requests must be received in writing via email or mail no later than three (3) weeks prior to the program. Cancellation requests must be made in writing and sent to the program’s designated staff or to the council registrar. Payment is expected unless you cancel. Unpaid registrations do not count as notice of cancellation and full payment is expected. If GSMIDTN cancels the event for any reason, a refund will be issued based on program expenses.

Refunds

All refund requests must be made no later than two (2) weeks after the program. Requests must be made in writing and sent via email or mail to the staff member listed for the program. Refunds are not issued for individuals or troops who choose not to attend a program. Full payment is required unless a written cancellation request is received three (3) weeks prior to the event. Refunds for illness or emergencies will be considered on request. No exceptions can be made for programs listed as non-refundable.

PHYSICAL RESTRICTIONS

Girl Scouts of Middle Tennessee proudly offers a wide variety of activities with the goal of providing meaningful and enriching experiences in areas that girls enjoy. While we strive to ensure that our programs are inclusive and that all girls have access to meaningful activities and experiences, some activities have inherent restrictions. In an effort to balance the demand for challenging activities with the safety and well-being of our girls and adult volunteers, we offer the following programs and activities with restrictions as listed below.

If you have questions or concerns regarding a girl participating based on these restrictions or would like additional information on the basis of these restrictions, please contact the program manager listed below. We realize these restrictions can lead to sensitive conversations and welcome the opportunity to speak in advance of the event to discuss options and potential solutions.

Horse Programs

To protect the health and safety of our horses and participants, the maximum weight limit for participants in Girl Scouts of Middle Tennessee horse riding programs is 200 lbs. Current research shows that horses should carry no more than 20% of their weight. Our limit is based on the size of our horses, weight of our equipment, and the type of activities we provide. As a Certified Horsemanship Association (CHA) accredited site, we have established this policy in accordance with their safety protocols and recommendations. If your group is participating in a workshop or program that includes ground activities, participants not eligible to ride can still participate in the ground portion (fees can be adjusted accordingly with prior notification).

Adventure Activities

Several of the activities offered at our facilities utilize specialized equipment. This equipment is designed with the safety of the participant in mind and has manufacturers recommended limitations to minimize the risk of injury to the participant. In order to ensure that all participants are able to utilize equipment safely, the following weight limits must be strictly enforced:

| | |
|--|---------|
| High Challenge, Rappelling, Tree Climbing | 250 lbs |
| Zip line, Flying Squirrel, Swing By Choice | 250 lbs |
| Corcls® | 225 lbs |

In addition to these weight limits, supplied harnesses and equipment must fit properly and securely. Fit will be evaluated by the instructor/facilitator on site.

Watercraft

All participants utilizing watercraft (canoes, kayaks, funoes, and Corcls) on council properties are required to wear Coast Guard approved Personal Flotation Devices (PFDs) at all times. Usage of watercraft is dependent on proper fit of supplied PFDs and will be evaluated by the instructor/facilitator on site.
