

SMALL BUSINESS WEEKEND

FEBRUARY 21 – 23, 2020

POWER HER SUCCESS with Girl Scout Cookies!

Girls Scout Cookies are loved by millions and baked with a single purpose: to fuel learning and power wow experiences. Troops can reach out to a local small business and partner on this weekend to host a booth and encourage their entrepreneurial skills as they WOW THE WORLD!

If your service unit, troop or girl has participated in setting up a booth with a small business, you can purchase a cookie entrepreneurial patch in the shop for \$1.25.

Once you have secured a booth location, email this form to productprograms@gsmidtn.org to be registered in eBudde for the cookie booth locator application.
