

## Girl Scout Walkabout Weekend

February 28, 2019 – March 1, 2020

The Girl Scout Walkabout is a weekend-long program where you are on the move selling cookies! It's tempting to head straight to the tried-and-true booth program, but you can complement your booth success with a traveling approach. Some ideas include a cookie caravan at a local event or going door-to-door with a wagon.

To participate, first find out from your service unit cookie coordinator if the service unit is organizing a walkabout, and sign up for a neighborhood in your community. Second, load up the wagon with your cookies and hit the neighborhoods to reintroduce one of the Girl Scouts' longest traditions to the community while increasing your success!

Patches will be available for purchase in the Nashville City Center Shop. Cost is \$1.25 each. No advance purchases.
