

## **SENIOR: GAME VISIONARY**

Hey Girl Scout! This badge is your chance to build friendships and community networks by leading a series of fun, inventive, and challenging games. Use your vision- of what's surprising, fantastic, team-building, and most of all fun!- to invent some unforgettable activities. Making games is about pushing boundaries of creativity and possibility: It's not just about thinking outside the box, but getting rid of the box all together. Enjoy exploring your imagination!

### **Step 1: Break the ice**

1. Play an icebreaker with a group of friends or family. This icebreaker can be done in person or over video chat.
2. Come up with a list of ten interesting questions, and have each person fill them out secretly.
3. Have each person write the names of everyone in the group on individual index cards.
4. Read through each question and pick one person's answer to share.
5. Then have each player hold up the name of the person's whose answer they think it is.

Supplies:

1. Pen
2. Paper
3. Index Card

### **Step 2: Imagine all the world's a board**

1. Make a bingo card with objects or landmarks from the area around you. If you are playing in your neighborhood you might choose something like a squirrel, birds on a bird feeder, or a specific looking tree.
2. Walk around the area with at least one other person.
3. If you see an object on the board and the person with you agree that you saw the thing in question, mark it off your board.
4. The first person with a bingo wins.

\*you can do this with another person remotely by sending pictures of what you see, and have them verify it that way.

Supplies:

1. Bingo Card
2. Pen

### **Step 3: Create a physical challenge**

1. Create a relay race for you and your friends/family.
2. Combine old favorites like a three legged race and a sack race or change it up with new out of the box ideas. Whatever events you choose to include is up to you.

Supplies:

1. Relay props

### **Step 4: Get puzzled**

1. Split your family/friends up into two teams.
2. Each team creates or finds 3 puzzles (brain teasers) on the internet for the other team to solve.
3. The teams will race to see who can solve all three puzzles they were given the fastest.

Supplies:

1. Internet Access

**Step 5: Make an ultra-scavenger hunt**

1. Split your family/ friends into teams.
2. Choose a favorite story that all the participants will know.
3. Ask each team to tell the story through a series of pictures
4. The teams will dress up and stage each scene.
5. Set a time limit, and decide as a group who told the story the best.  
\*This activity could be done virtually; each person could work with their families and submit their story via a shared google drive or document.

**Supplies:**

1. Camera
