

# CLEAN JEAN AWARD

## GENERAL INFORMATION

Troops, individuals, and service units can earn the Clean Jean patch and/or chevrons by performing extra cleanup and improvement projects at any of our three camps and the Nashville Service Center. A Clean Jean project is something that goes above and beyond what is normally expected. If your troop or service unit is interested in participating in a Clean Jean project, first contact the camp's site manager prior to arrival. You may also ask for Clean Jean projects when you arrive at camp.

Examples of Clean Jean projects:

- ☺ Deep cleaning the cabin/unit that your troop has stayed in for the weekend such as: washing the windows, cleaning the oven, wiping out cabinets and refrigerator, etc.
- ☺ Restock the woodpile and clean a fire ring
- ☺ Pick up trash from hiking trails and around camp

Examples of what is NOT considered a Clean Jean project:

- ☹ Sweeping/mopping floors
- ☹ Buying items for the site (potholders, rakes, etc.)
- ☹ General site cleaning that is part of a standard stay

## SUBMISSION INSTRUCTIONS
