

To Make the World a Better Place

As Girl Scouts, when life throws us curveballs, we face those challenges with courage and confidence. This past year presented unique challenges to our community, our nation, and our world. But your commitment ensured that Girl Scouts of Middle Tennessee remains a strong and vibrant force in our communities.

Through your support, our council was able to navigate this year of change with resilience, ingenuity, and innovation. When the global pandemic brought a halt to in-person gatherings, we were quickly able to transition to virtual programming to continue delivering quality experiences to girls. In fact, girls had 7,109 unique virtual experiences from March through September. Your generosity helped girls across our region stay connected and maintain some sense of normalcy.

Thank you for ensuring we continue to meaningfully engage with the girls in our community.

In the Girl Scout Law, we promise to “make the world a better place and be a sister to every Girl Scout.” This year, Girl Scouts lived their values and pulled together to:

- lead relief efforts following the devastating March 3rd tornadoes;
- make face masks for those in need;
- stand in solidarity against racism and hate.

I am truly humbled and inspired by these efforts to take action and give back to our community, and I hope you enjoy seeing how your support made a positive impact in Middle Tennessee.

I believe Girl Scouting is uniquely poised to help parents, citizens, volunteers, leaders, and girls make the world a better place. By providing a supportive environment to engage with their peers and explore new skills, girls develop the courage to overcome obstacles, the confidence in themselves, and the character to navigate a world that is at times challenging.

Thank you for being an advocate and supporter of Girl Scouts of Middle Tennessee. Together, we can make the world a better place.

Warm Regards,
