

Booths

- Everyone **MUST** wear a mask at all times over your nose and mouth during your booth time.
- Use hand sanitizer multiple times during your booth time.
- Please maintain a safe social distance (6ft or more) between you and others.
- If you wish to use gloves please bring them to use during your booth time.
- Please adhere to all guidelines that may be set by the booth location. This is located on eBudde Help Center and booth notes.
- Wear comfortable shoes and clothes for the weather.

Cupboards

- Cupboard staff will not be allowed to load cookies inside of your vehicle. They will place cookie cases at the back of your vehicle. Please bring another person or two to help load and organize your cookie order in your vehicle. **YOU MUST BRING ANOTHER PERSON TO LOAD THE COOKIES WITHIN YOUR CAR.** If you do not have an individual to organize/load within your car you may be asked to come back with assistance.
- Mask must be worn over the nose and mouth once you enter the property and for the entirety of the pick-up process.
- Before you enter the cookie pick up area please open the door/tail gate area of your vehicle that the cookies will be loaded into for easy access for the cupboard staff.
- Windows must be rolled down in your vehicle to help with air flow.
