

This form is designed to give your troop leaders additional information about the Girl Scout that may not be included on a Health History or other required form. Answering these questions will allow their leaders to get to know them better and provide the best Girl Scout experience possible. Please complete and return to your troop leader.

Participant Information

Dear Troop Leader, _____ (girl name) is so excited about being a Girl Scout! This is our first year in your troop so I would like to share more information about our family.

Get to Know My Girl Scout

They are excited to join Girl Scouts because...
