Girl Scout Bronze, Silver and Gold Award Girl Scouts of Middle Tennessee Information

Although Bronze Award Take Action Projects (TAP) do not require pre-approval from the Girl Scouts of Middle Tennessee, Silver and Gold Award Take Action Projects must be pre-approved.

- ⚙ The Cadette troop volunteer submits a Silver Award Project proposal for each Take Action Project
- ⚙ Each girl submits a Silver Award Final Report which outlines her leadership role in completing the project. All final reports for a project must be submitted at the same time.
- ⚙ Senior and Ambassador girls must submit a Gold Award Take Action project pre-approval form for review
- ⚙ Upon receiving pre-approval, girls pursuing the Gold Award will need to schedule an interview with the committee.
 - At the conclusion of the interview, girls will be advised as to whether they may be doing their Take Action Project or if further work is needed.

All Take Action Projects (Bronze, Silver and Gold) require final paperwork to be submitted to the Girl Scouts of Middle Tennessee. Upon review of final paperwork, girls will be advised of the status of their project. If projects meet all criteria, girls will be eligible to receive the appropriate recognition.

- ⚙ Bronze Award certificates are provided by the council. Bronze Award pins may be purchased from the shop with proper council documentation. Bronze Award ceremonies are done on a local level.
- ⚙ Silver and Gold Award recognitions are provided by the council. Silver and Gold Award ceremonies are held at the council level.

We are committed to ensuring that every girl has a successful experience in pursuit of our highest awards. Should a Take Action Project be judged to not meet the quality standards set forth, we will work with girls and their advisors to assist them in bringing their project up to an acceptable level. We are available for consultations, advice and assistance at any time during the process.
