

Everything Equine Horsemanship Workshop

Join Camp Sycamore Hills for an Equine Badge workshop! This workshop is great for girls wanting to learn more about our equine friends! Learn about grooming, leading a horse, and tying a horse up with a special knot. You will also get to play a game and take a ride inside our riding ring!

Grade level: Junior, Cadette, Senior, Ambassador

After completing our Everything Equine Horsemanship Workshop, you're ready to move on to our more advanced workshops. Test your knowledge and build your skills in one of our six progressive subject area workshops or become a true equestrian expert by completing them all! Additional workshops build upon others and are highly encouraged to be completed in the order below.

Available: Mid-August – Mid-May; may be requested on weekdays

Duration: 3 hours

Min: 6 | **Max:** 24

Fee: \$45 per girl; \$45 per adult (if participating)

Basics of Equine

After completing our Everything Equine badge workshop, come back out to the Equestrian Center and earn your first badge in the series! Learn about the different kinds of saddles horses use at our barn, what kind of breeds there are in the world, what the different colors are called, and enjoy a combination ring and trail ride!

Prerequisites: Everything Equine Horsemanship

Grade level: Junior, Cadette, Senior, Ambassador

Equine STEM

Join us at the Equestrian Center to learn about how big of a step a horse can take and how much a horse really weighs. Then enjoy our trails from the back of a horse!

Prerequisites: Everything Equine Horsemanship. Participants are also highly encouraged to complete *Equine Basics* prior to this workshop.

Grade level: Junior, Cadette, Senior, Ambassador

Equine Health

Return to the Equestrian Center to explore the world of equine health. Ground lessons will be followed with a ring ride and playing games on horseback!

Prerequisites: Everything Equine Horsemanship. Participants are also highly encouraged to complete *Equine Basics* and *Equine STEM* prior to this workshop.

Grade level: Cadette, Senior, Ambassador

Equine Communication

Come back out to the Equestrian Center to explore how horses communicate, body language, team building, and more. Ground lessons will be followed with a trail ride on one of our more advanced trails (based on skill level).

Prerequisites: Everything Equine Horsemanship. Participants are also highly encouraged to complete *Equine Basics*, *Equine STEM*, and *Equine Health* prior to this workshop.

Grade level: Cadette, Senior, Ambassador

Equine Environment

Return to the Equestrian Center to learn about the horse's environment and what it takes to survive in the wild. How do horses differ in the wild versus in human hands? Ground lessons will be followed with a trail ride on one of our most advanced trails (based on skill level).

Prerequisites: Everything Equine Horsemanship. Participants are also highly encouraged to complete *Equine Basics*, *Equine STEM*, *Equine Health*, and *Equine Communication* prior to this workshop.

Grade level: Cadette, Senior, Ambassador

Equine Hippology

Join us at the Equestrian Center to learn about hippology, the equestrian industry, and what it takes to be a part of this world. Ground lessons will be followed by learning to lead a horse through an in-hand obstacle course. *This is a non-riding program.*

Prerequisites: Everything Equine Horsemanship. Participants are also highly encouraged to complete *Equine Basics*, *Equine STEM*, *Equine Health*, *Equine Communication*, and *Equine Environment* prior to this workshop.

Grade level: Cadette, Senior, Ambassador
