Due to limited supply and the inability for all girls to participate in the excitement of a new cookie, Girl Scouts of Middle Tennessee has opted NOT to offer Raspberry Rally™ cookies for the 2023 Cookie Program.

By now, changes in product availability come as no surprise, but launching an exclusive cookie limits supply even further. We know girls in Middle Tennessee may be disappointed they will not be able to provide Raspberry Rally cookies to their customers, but the uniqueness of current events creates an opportunity for Girl Scouts to apply their entrepreneurial skills, which lie at the heart of the cookie program, and to understand how significant global issues can impact business. We look forward to supporting them as they adjust their business plans and work towards meeting their goals.
