Customers are given the opportunity to purchase cookies to donate to our Gift of Caring project. Girl Scouts of Middle Tennessee has chosen **Hugs for Our Soldiers at Ft. Campbell** as our council sponsored organization. *Troops may choose their own charitable organization within their community.*

Customers who do not want to purchase cookies for themselves may choose to support **Gift of Caring** in Middle Tennessee, or they may choose to **Buy 1, Give 1** to help a soldier!

Hugs for Our Soldiers is a 501(c)(3) nonprofit organization that has been supporting our troops serving overseas since 2003. The program provides a touch of home to our troops by sending care packages, letters and cards, and offers the community an opportunity to adopt and care for a deployed soldier, marine, sailor, or airman.
