Trip/Travel Instructions and Guidelines

Girl Scouts of Middle Tennessee provides a travel support system that includes specialized support and a planning packet (sent upon request). GSMIDTN's Policies and Procedures, *Volunteer Essentials*, and *Safety Activity Checkpoints* must be followed in any Girl Scout activity.

- STEP 1:** Begin planning your trip. Girl Scout planning and parent/guardian support are important parts of the early planning process.
- STEP 2:** While still in the planning stage, submit this form three months in advance of the trip date.
- STEP 3:** Have your troop members help in completing this form. A girl representative will need to sign off on this document to ensure troop funds are used in the way the troop members have decided.
- STEP 4:** You will receive pre-approval soon after receipt of this form and the troop may then begin making travel arrangements. You may be contacted should any concerns arise.
