Camp Holloway and Camp Sycamore Hills do not have a specific dress code, except as it applies to the safety and comfort of campers. Some activities require longer shorts (due to harnesses) or close-toed shoes. We ask that shirts are chosen to prevent sunburn, and that swimsuits and shoes are appropriate for vigorous activities. In the case of swimsuits, campers should be able to jump, splash, swim, and play and be confident that their swimsuit will stay put. Shoes should be appropriate for moving about camp, and we ask that sandals be sturdy with a back strap.
