

FREE ADULT TRAININGS!

Girl Scouts of Middle TN is pleased to offer 1 free training per troop per Girl Scout year for each of the following trainings:

- Outdoor Skills
- First Aid/CPR/AED

How do I redeem my troop's free trainings?

- Discuss with your troop leaders which registered volunteer will redeem the free trainings. Each troop receives 1 free training in each course, but the same adult does not have to redeem all 3.
- Register for the desired training through your CouncilAlignMENT profile. *(It will show as a charge in your shopping cart, but do not pay.)*
- Once you receive an email from CouncilAlignMENT stating that you have been placed in the training, email VolunteerResources@gsmidtn.org. Let us know your name, troop number, training name, and training date in order for the charge to be removed from your shopping cart.
- Please note that you must notify us that you want to claim the free training. Failure to notify us or failure to pay for the training will result in being placed in Past Due status which will possibly remove you from the training and/or will block you from registering for future events.

May I apply the free CPR training to a training hosted by an outside organization?

No. The free trainings may only be redeemed at Council training events.

Register for adult trainings on CouncilAlignMENT!

PLEASE NOTE:

- Registration for trainings close 3 weeks prior to the training date.
- All training fees are due within 10 days of being placed in the training.
- If you are not redeeming a free training, all balances are due prior to the activity.
- Unpaid balances must be resolved before you are allowed to register for another activity.
- If you are using your free training credit and cancel and/or reschedule within 3 weeks of the training you risk losing that free training credit for the year. Exceptions will be made at GSMIDTN's discretion for illness and family emergencies.
- Payment is not accepted at training events.
